

ROYAL BASKETBALL ACADEMY QUICK FACTS

How long has RBA been in existence? Royal Basketball Academy started in 2001 with 8 kids.

Where? We rent the USSports Plex at 4540 Commerce Street located just off of West 11th Avenue in Eugene, next to Wal-Mart.

When? The sessions are the first 4 Saturdays of the month year round.

How much does it cost to train at the Academy? It's \$40 per month to train at the Academy. We require 3 months payment

in advance. RBA uniforms are \$25 for a Jersey, \$25 for shorts and \$25 for the RBA sports bag. No refunds once RBA gear has been worn or used.

What if I can't make it? No need to be concerned about missing training sessions. If gym dues are paid up we assume they will attend when they have no other commitments.

Donations are appreciated. We are not a tax deductible organization because it takes thousands of dollars and countless hours to maintain a nonprofit status. Donations can go to scholarships for low income kids or sportsmanship & leadership recognition awards.

Kids must wear their RBA uniforms and they need to bring 2 basketballs to every session.

Staff: It is required that all the Staff on the gym floor wear the RBA Staff shirts. The staff shirts are supplied at no charge.
